Gentlemen:

Re: Burnt Fork Distribution
System, Surety Bond

Mr. Lewis H. Stahl, Green River, Wyoming, has been recommended to the State Engineer of Utah to act in the capacity of Water Commissioner of the Burnt Fork Distribution System for one year or until such time as a successor is appointed.

It is requested that your company issue a surety bond covering the period from April 1, 1958 to April 1, 1959 in the principal amount of \$2,000.00 and mail the same to this office for processing.

The Burnt Fork Distribution System will be operated jointly with the state of Wyoming; however, the bond will cover operations in Utah only.

It is understood by this office that any commission credit that may be due will be paid to your local representative in the Manila, Utah area in which Mr. Stahl will work.

Payment of the annual premium will be made after approval of the bond by the State of Utah and upon receipt of your invoice in duplicate.

Very truly yours,

Wayne D. Criddle
STATE ENGINEER
